Old school is always, always cool. Quality suits have stood out from the crowd for decades, thanks to their classic, well-tailored silhouettes and luxury fabrics, like wool. To give it a truly modern feel, ditch the stuffy shirt for a relaxed but fitted turtleneck jersey – a little bit of sophisticated surprise goes a long way.

A man with dark hair and a light beard is standing in a modern office environment. He is wearing a long, brown suede trench coat over a white shirt and a dark tie. He has his left hand in his pocket, revealing a watch. The background shows large windows and office furniture. The overall tone is professional and sophisticated.

SOPHISTICATED

**A SMARTER
OUTER LAYER**

A trenchcoat will keep that autumn chill off your back, but only if it's decent quality - suede, for example, will age well while transforming the rest of your wardrobe. Wear it over a suit, or dress it down with a white tee, grey trackpants and sneakers for a stylish off-duty look.

**BREAK
THE RULES**

Suits are more than the sum of their parts, and yes, you can mix and match. Not only is this a great way to refresh your workwear, it's also a smart-casual look that's perfect for a date or offsite conference. Contrast is your friend, as long as it's classic and clean: think khaki and navy, or grey and blue.
