Gala din

The majority of gala dinners are classed as 'black tie' events, so guests do expect male guests to wear either a tuxedo or a three piece suit. This should be in a dark colour like black or navy blue and paired with a formal tie or a cravat. It is up to you whether you opt for a single breasted jacket or a double breasted jacket; both are usually acceptable. A cummerbund may also be worn, but it is rare for such an accessory to be mandatory.
