Sense & ***SENSIBILITY***

styling DAMIAN HUANG

It has been eight years away from the drawing block for John Ray since Gucci bid him goodbye, but if Ray's debut collection for Alfred Dunhill is any indication, his return to the fashion fold is a long time coming. Now at the helm of the established English brand as creative director, Ray has not only kept to the spirit of tradition, craftsmanship and British elegance at Alfred Dunhill, he has also advanced the codes of luxury there. An arsenal of beautiful jackets, understated knitwear and accessories completes Ray's vision of a dignified gentleman who's always dressed to meet the day's challenges.

GROOMING **FEATURE**

MAN *Maintainance*

A little REPAIR WORK on
the *mind, body and soul* goes
a long a way.

To be successful, one
has to endure the daily
grind. But stress can lead
to crow's feet, dark eye bags,
thinning hair and, sometimes,
several extra inches around the
gut. Never let work take a toll on
your appearance and well-
being — book a spa treatment and fix your
problems. Re-invigorate the body, revitalise
the soul and refresh the skin.

HERMÈS

看似沉稳的暗色系列其实满是丰富的色彩——黑、炭灰、铜绿、英伦绿、深蓝、冰蓝、卡其、褐及紫色。更丰富的是材质——系带长裤的柔软皮革、印花衬衫的华丽丝绸、西装上融为一体的高科技棉布与皮革。只有浪漫的男人，才懂得如斯讲究细节。
