Dress code

NA MÓDNÍ FRONTĚ KLID

Uniforma si klade za cíl vyvolat v druhém člověku respekt. Jejím nositeli dodává pocit sebedůvěry, jistoty, síly, moci. Právě armádní uniformy, kabátce a svrchníky se staly předlohou civilnímu oblečení, které dnes běžně nosíme. Ze současných kolekcí jsme vybrali ty nejikoničtější kusy, které vás připraví na módní bitvu během zimních měsíců.

STYLING Jiří Hofbauer
